

Facilities

Harley Village Hall was built in the late 19th century as the village school room. It is situated in an area of outstanding natural beauty, half way between Shrewsbury and Bridgnorth, and within easy reach of Telford.

In 2010 the hall underwent an extensive programme of building and refurbishment, supported by a Big Lottery Fund grant.

The hall is available for private hire. With its enchanting period features, and every comfort, the hall has proved very popular for family functions, and is a stunning location for wedding receptions. It may be possible for couples living outside the parish to have their wedding ceremony at the village church, St. Mary's.

The hall was extensively refurbished in 2010, and has the following facilities:-

- Main Hall – 10.50m x 5.35m (34ft x 17ft)
- Seating capacity – 50 dining
– 64 concert style
- Glazed entrance lobby
- Enclosed courtyard
- Fully equipped kitchen
- Toilets – male, female and disabled with baby changing facilities
- Car park with wheel chair access to hall

The kitchen has a comprehensive range of equipment to help your event run smoothly:-

- 2 double ovens
- 2 microwaves
- 2 dishwashers
- Heated food cupboard
- Large fridge freezer
- Large capacity hot drinks water heater
- A full range of cutlery, crockery and glasses

The hall has a full complement of fire and safety equipment including fire extinguishers, break glass fire alarm system and emergency lighting, all in compliance with current legislation.

The Harley village defibrillator is located at the Village Hall.
